## III. Executive Committee Reports

### A. Secretary's Report (Amy Anderson)

- i. Player/Sub Assistance
  - Use your resources in recruiting new players/subs
    - Use the Free Agent Board to recruit new players/subs
    - Email captains and ask for help
    - Post on the NVSA Facebook group page
    - Then email Secretary and other board members for help
  - Do NOT wait until the last minute (day of) to find out who is and isn't coming to the game from your team... plan ahead and buffer your roster numbers to allow for last minute drop outs
  - If subs come and play, please use them as normal players, giving them equal playing time as anyone else on the team. Many subs have complained and do not want to sub for certain teams because they go out of their way to help a team out and then they play like ten minutes a half.
- ii. Sportsmanship
  - We had numerous complaints last fall about a lot of unsportsmanlike conduct in games regarding teams running up the score
  - Captains need to manage their teams better, move players into different positions, rotate and sub players better... games aren't fun on either side to win or lose by a landslide.
- iii. Commonwealth Classic Soccer Tournament 2018
  - Saturday and Sunday, July 14-15<sup>th</sup>
  - Location: Patriot Park (Fredericksburg, VA)
  - Organized by Commonwealth Soccer League (MDCVSA affiliated)

    - Most of these red cards were from the Men's division
    - Captains need to talk to their players, try and help decrease these red card issues from arising in games
  - Panel Member Nominations
    - Every Captain needs to email one nominee for the disciplinary board
    - We want as many diverse people on the board to help make the best disciplinary decisions possible for our league and players

Should a player's suspension carry over to the following season and the team he/she received the suspension on is no longer in the league, the suspension will be served by the player sitting the number of weeks left equal to the number of games remaining in suspension (i.e. 2 games left in suspension means sitting out for all games the first two weeks of the new season.)
    - iii. Should a player receive a straight red card as a substitute player for a team, the player is suspended from ALL league play until the team the player was subbing for has played the number of games of the suspension
