

# NVASA'S DISCIPLINARY PROCESS

## Notes:

- The total disciplinary process takes about a week.
- All players should expect a two game suspension unless otherwise stated by the By-laws.
- Disciplinary Panel members are chosen by the Chief Justice and approved by the Commissioner.
- All sanctions are based upon a player's disciplinary record and the severity of the offense committed.
- Depending on the severity of the offense, between 3 to 7 Disciplinary Panel members may be used to determine a sanction.
